H I N A S P A

Where life demands the exceptional, Hina Spa delivers a luxury retreat for those who appreciate the finer things. Perched on a hilltop, Hina Spa is a haven of comfort and beauty with breathtaking views. This soulful place, nestled in volcanic rock, will bring you energy and serenity.

Hina Spa is named after the goddess Hina. In legends, Hina is always presented as the ambassador of beauty, charm, sweetness, well-being and joie de vivre. On most islands and in different versions, she is also said to be at the origin of the coconut tree, the indispensable nurturing tree of all Ma'ohi people. Hina, whose presence can be felt in the shimmer of a moon-ray or in the rustle of a coconut palm, remains the symbol of serenity and well-being.

MOTU TAPU

Motu Tapu is the most photographed islet in the South Pacific—just a five-minute boat ride from the Conrad Bora Bora Nui Resort. It was the private beach of Polynesian Queen Pomare IV, who reigned between 1827 and 1877. She held exclusive receptions and parties on the islet, where access was «Tapu» – forbidden, sacred, by invitation only, thus the name Motu Tapu has carried over to this day. Enjoy a day or a private dinner on this unique location.
