Where life demands the exceptional, Hina Spa delivers a luxury retreat for those who appreciate the finer things. Perched on a hilltop, Hina Spa is a heaven of comfort and beauty with breathtaking views. This soulful place, nestled in volcanic rock, will bring you energy and serenity.

Hina Spa is named after the goddess Hina. In legends, Hina is always presented as the ambassador of beauty, charm, sweetness, well-being and joie de vivre. On most islands and in different versions, she is also said to be at the origin of the coconut tree, the indispensable nurturing tree of all Ma'ohi people. Hina, whose presence can be felt in the shimmer of a moon-ray or in the rustle of a coconut palm, remains the symbol of serenity and well-being.

A liveable luxury beauty collection, entirely certified organic, consciously created and crafted in New Zealand bio-diverse and expert environment, made exclusively with natural ingredients, free from genetically modified organisms and harmful chemicals, infused in New Zealand Takaka Springs water, renowned as being one of the purest waters in the world.

To ensure instant pleasure and long lasting results, MILLEFEUILLE offers an absolute sensory experience to discover natural beauty, and inner calm.
