# CORAL GARDNER

*Sponsor a coral cutting and help preserve the Taha'a Coral Garden.*

*Coral ecosystems are hotspots of biodiversity based on a fragile balance. Coral reefs are now threatened and need to be preserved. With our partner Espace Bleu we offer you to adopt a coral and leave your name forever in the coral garden of Taha'a.*

*To do this, you just have to choose the letters, made of ceramic, which will serve as support for your cuttings.*

*A coral cutting will be attached to each of the selected letters and the set will be installed in the hotel's coral garden. From then on, you will receive a photo and a dying certificate by email. A new photo will be sent to you after six months so you can see the growth of your cuttings.*

*Once mature (after one year), your cuttings will then be installed in the natural coral garden so that it can be reseeded in coral and restored. This will be an opportunity to address you a last photo of your corals with their GPS point.*

## INCLUDED:

A cutting certificate  
3 photos of your cuttings (at installation, after 6 months and one year)
